November 19, 2020

Good afternoon CRSMCA Members,

**RE: 2021 Carolinas Mid-Winter Roofing Expo  
Rescheduled for April 27-29, 2021**

The CRSMCA Planning Committee Members have made the decision to postpone the 2021 Carolinas Mid-Winter Roofing Expo due to the effects of the pandemic. Although this is not what CRSMCA had hoped for, it was predictable given the pandemic and Governor Cooper's current Executive Order. CRSMCA would like to thank our friends at the Benton Convention Center for being great partners and we look forward to being there in April 27-29, 2021.

**To all exhibitors and sponsors:** *THANK YOU* for choosing to support the Carolinas Mid-Winter Roofing Expo. Everyone who has already paid are still confirmed for the April 2021 rescheduled event. Over the coming weeks, CRSMCA staff will be in contact with fellow Members and peers to continue to reach additional exhibitors and sponsors of the rescheduled expo. The CRSMCA Planning Committee remains committed to helping its members use the resources in beneficial ways and look forward to sharing some creative ideas with you.

**To all contractors, architects and engineers alike:** The CRSMCA Planning Committee is looking forward to bringing you educational content and hands-on demonstrations for professional development as well as networking opportunities to enhance your professional relationships.

As 2020 continues to present challenges, the CRSMCA Staff and CRSMCA Planning Committee members are more determined than ever in making sure our Members and peers can stay connected to the people and resources they need to successfully navigate this path. Please stay tuned to learn more about the educational and networking opportunities. Thank you and we hope everyone has a good week.

Eric Campbell
